

Schedule 5 and Schedule 6 Information for ADR Bodies

The Alternative Dispute Resolution for Consumer Disputes (Competent Authorities and Information) Regulations 2015, require you to supply the competent authority (Chartered Trading Standards Institute) with your Schedule 5 (annual) and Schedule 6 (biennial) reports when they are due.

The Schedule 5 report must be supplied every year (including when you also supply your biennial report) and must be made available on your website as per the legislation. The Schedule 5 report must be supplied to the competent authority and uploaded onto the website within a month of the anniversary of your date of approval as an approved ADR body.

The Schedule 6 report must be supplied biennially and is not required to be available on your website, only sent to the competent authority. The years that you supply the biennial report, you still must supply an annual report in addition. The Schedule 6 report must be supplied to the competent authority within a month of the anniversary of your approval date. The information (data) (as per section 11.3 of the legislation) is to cover the whole (totals) of the 2-year reporting period.

All details of what must be included in the reports can be found below.

This is the minimum data required for reporting, but any other or extra data supplied would be much appreciated for further insight.

As of 1st January 2021, there have been several amendments made to the legislation due to Brexit. It is no longer a requirement of the legislation to handle cross-border disputes and report on these disputes. However, if you continue to handle cross-border disputes, we would ask that you supply any information in relation to these cases.

Additionally, if your ADR scheme's outcome is binding on either party, please provide us with the percentage of whether the outcome was ruled in the consumer or trader's favour at the end of the Schedule 5 and Schedule 6 report.
